The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 126 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign :—

(*a*) If, from any circumstances, the Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b*) If the number of persons belonging to the Naval Forces or Naval Reserve Forces specified in the Admiralty Regulations on board is less than 7, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number is caused by death, sickness, desertion or joining a British Man of War, or by some unavoidable casualty.

(*c*) If it should be found that, although the ship is provided with an Admiralty Warrant, the above Regulations are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty if the Commanding Officer is on the Retired List of the Royal Navy and to the Registrar General in all other cases.

(*d*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty or Registrar General of Shipping and Seamen as the case may be.

THE PIGMENT WHICH DEFIES ALL WEATHER

AND THE ONLY ONE THAT DOES.

The Symbol of Efficiency

SINCE the elimination of all dust by the process of damp rubbing down with waterproof sandpaper, the hygienic conditions have been so vastly improved that White Lead need not bow its head to any attack by competitive pigments based on this or any other position.

NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY of the ADMIRALTY,

(Editor of the Navy List) London, S.W.1,

mentioning the ship or page affected.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

The names of Officers on the Retired, &c., Lists, appear only in the January and July issues of the Navy List. The Contents Table for the Retired List appears immediately before the Index to Officers on the Retired, &c., Lists.

The rates of pay, regulations, &c., are contained in a separate publication entitled "Appendix to the Navy List" which appears in June and December.

The names of Temporary Officers *of the Royal Navy, Royal Marines, Royal Naval Reserve and Royal Naval Volunteer Reserve who have been granted permission to retain their rank, with the right of wearing uniform on state and other occasions of ceremony, are* not *included in the Navy List.*

No Appointments made after the 18th of the Month preceding publication can be inserted in the NAVY LIST until the following List is published.

Officers on the Retired List are required to report their private permanent addresses and any changes therein to the appropriate authorities, as laid down in the regulations for Officers on the Retired List (*see* Appendix to the Navy List). If they are not drawing retired pay or pension, they should also report themselves by letter annually, on or shortly after the 1st January, to the Secretary of the Admiralty, or to the Adjutant-General, Royal Marines (for R.M. Officers), in order to ensure that their names are retained in the Navy List.

Officers on the Emergency List, Officers of the Special Reserve of Engineer Officers, and Special Reserve, Royal Marines, and Officers of the late Royal Naval Artillery Volunteers must similarly report their addresses annually.

Retired and Honorary Officers of the Royal Naval Reserve are required to report periodically as laid down in the R.N.R. (Officers) Regulations.

Retired and Honorary Officers of the Royal Naval Volunteer Reserve are required to report their addresses annually, on or shortly after the 1st January, to the Admiral Commanding Reserves.

It is particularly requested that all Officers whose names appear in the Retired Section of the Navy List and who are not drawing retired pay or pension should leave instructions that, in the event of their death, the fact is to be reported to the appropriate authority as indicated above.

Digitized by Google

The removal of an Officer's name from the Navy List in consequence of failure to report does not involve the termination of his commission or relieve him of the liability for service, if required when Retired, Emergency or Reserve Officers are called out in time of war or emergency.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of the Degrees held but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer and degrees which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

The NAVY LIST *is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.*

By command of their Lordships,

R. H. A. CARTER.
